📅 October 26 - 28, 2023 📍 Bahir Dar, Ethiopia

Bahir Dar (in Amharic: ባህር ዳር) is a port on the south shore of the huge inland Lake named Tana. It is usually described as the Ethiopian Riviera. The moniker sounds strange, but when you pull into town and see the wide streets shaded by palm trees and sweeping views across Lake Tana's shimmering blue waters, you'll perhaps understand. More than a block back from the shore, however, Bahir Dar is just another busy Ethiopian city.

We would like to send our greetings and look forward to seeing you in Bahir Dar, Ethiopia for Memorable experiences.
